Pamphlets & Guides

Thank you for your interest in serving as a juror. Often, we don't trust any one person to determine another person's fate. Instead, we trust the community, our peers, to make the right decision. This is our democratic ideal—to impart justice that is truly of the people, by the people, and for the people. Democracy is made real every day by thousands of jurors across the nation. Most jurors consider it interesting, educational, and an honor to play a part in the fair administration of justice.
